## MEET THE PHOTOGRAPHER

*Hi there, I'm Laylla.*

THIS IS AN INFORMATIVE PRICING GUIDE  
DESIGNED TO HELP THE BOTH OF US WHEN  
TAILORING A MEDIA SERVICE FOR YOU AND YOUR  
BUDGET. NO FLUFF OR HIDDEN COSTS. JUST  
FULL TRANSPARENCY FROM THE GET-GO.

Welcome to wedding planning! What an exciting season of life to be in. Whether your engagement was recent or you've been a fiancée for an eternity, your journey to this point is unique to you, so let's give you the photos to match!

As a photographer, I value beauty, attention to detail, and art but, as a human, I value honesty, a strong work ethic and inclusivity. Which is why I have curated a list of wedding services that are affordable and adaptable because, I believe every love story deserves to be told with the energy of a Disney movie.

If you're nervous about being awkward in front of the camera, don't be. I am a non-intrusive storyteller, capturing your day as it unfolds without the cringe-worthy poses. I always say that if you love each other it will show in your photos regardless of the pose. You see this in the little glances, the belly-laughs and the way that you would naturally embrace each other when you're sitting on the couch at home. You can just be yourselves, soak in your wedding day and I will be there to turn each moment, teardrop and laugh into a memory you can fall back into forever.
